\* About Private Lessons: Previously, we offered two private lesson plans: the Full-Custom Plan (at the student's company or chosen location) and the Semi-Custom Plan (in our classroom or online). Under the new pricing system, there will be only one private lesson plan. A separate travel surcharge will apply for on-site lessons (formerly the Full-Custom Plan).

\*\* "30-minute Online Lessons" is a limited plan offered to those who find it difficult to take regular lessons. SANC provides this plan with a 30-minute minimum lesson for those who fit the criteria.

Please note that there will be no changes to the material fees (actual cost).

### 【Reason for Revision and Service Enhancement】

This revision will allow us to introduce an even more comprehensive curriculum, new learning materials, and advanced teacher training, all to ensure the most effective learning environment for you.

We have strived to keep tuition fees unchanged to minimize any impact on our valued students. However, in our commitment to maintaining and enhancing the quality of our educational services, we have decided to move forward with this update. We greatly appreciate your understanding and support in this matter.

If you have any questions, please feel free to reach out to us at any time. We look forward to continuing to support your Japanese language studies.

Warm regards,

Akiko Kajikawa  
 Director, Sun Academy NIHONGO Center
